

BRUSSELS; November 27, 2023 — We are pleased to announce that Vivansa has successfully passed the renewal of the [Cyber Essentials](#) (CE) certification for the period Nov. 2023 - Nov. 2024. Cyber Essentials is an effective, UK Government-backed scheme that contributes to protecting against a whole range of the most common cyber attacks. We believe that the correct application of this scheme is a key asset in securing Vivansa's strategy to provide Cloud-based solutions to our Customers.

The [certificate](#) certifies that the whole Vivansa organisation was assessed as meeting the Cyber Essentials implementation profile and thus that, at the time of testing, the organisation's ICT defences were assessed as satisfactory against commodity-based cyber attacks.
